FootNotes:

- 1 Low stand count, data not included in summaries.

Wyffels Hybrids has exclusive use of the data on this report for its advertising, promotional, and information efforts. It is prohibited to copy or release this information for publication without express written approval of Wyffels Hybrids, Inc. The \$/A column is gross dollars per acre generated by each entry, based on wet corn at \$3.25 per bushel and using \$.03 per point discount for harvest moisture over 15.0% in 2007.
